COMMONWEALTH OF VIRGINIA

### STATE CORPORATION COMMISSION

AT RICHMOND, JUNE 15, 2001

APPLICATION OF

T-CUBED OF VIRGINIA, INC.

CASE NO. PUC010025

For a certificate of public  
convenience and necessity to  
provide facilities-based  
interexchange telecommunications  
services

### FINAL ORDER

On January 30, 2001, T-CUBED OF VIRGINIA, INC. ("T-CUBED" or the "Company"), filed an application with the State Corporation Commission ("Commission") for a certificate of public convenience and necessity to provide interexchange telecommunications services throughout the Commonwealth of Virginia. The Company also requested authority to price its interexchange telecommunications services on a competitive basis pursuant to § 56-481.1 of the Code of Virginia.

By Order dated April 6, 2001, the Commission directed the Company to provide notice to the public of its application and directed the Commission Staff to conduct an investigation and file a Staff Report.

T-CUBED filed proof of publication and proof of service on May 22, 2001. Also, on May 22, 2001, T-CUBED filed a Motion for

Leave to Publish Notice in the Bristol-Herald Courier Out of Time, with an attached proof of publication by the Bristol-Herald Courier. The Commission finds that T-CUBED has substantially complied with the notice requirements of the April 6, 2001, Order and grants T-CUBED's Motion.

On May 31, 2001, the Staff filed its Report finding that T-CUBED's application was in compliance with the Rules Governing the Certification of Interexchange Carriers ("IXC Rules"). Based upon its review of T-CUBED's application, the Staff determined it would be appropriate to grant the Company a certificate to provide interexchange telecommunications services.

NOW THE COMMISSION, having considered the application and the Staff Report, finds that the Company should be granted a certificate to provide interexchange telecommunications services. Having considered § 56-481.1, the Commission further finds that the Company may price its interexchange telecommunications services competitively.

Accordingly, IT IS THEREFORE ORDERED THAT:

(1) The Motion for Leave to Publish Notice in the Bristol-Herald Courier Out of Time filed by T-CUBED on May 22, 2001, is hereby granted.

(2) T-CUBED OF VIRGINIA, INC. is hereby granted a certificate of public convenience and necessity, No. TT-156A, to

provide interexchange telecommunications services subject to the restrictions set forth in the Commission's Rules Governing the Certification of Interexchange Carriers, § 56-265.4:4 of the Code of Virginia, and the provisions of this Order.

(3) The Company shall provide tariffs to the Division of Communications that conform with all applicable Commission rules and regulations.

(4) Pursuant to § 56-481.1 of the Code of Virginia, the Company may price its interexchange telecommunications services competitively.

(5) There being nothing further to come before the Commission, this case shall be dismissed and the papers filed herein placed in the file for ended causes.
